SEPTEMBER 2026 NEWSLETTER

Dear Members and Partners,

September was all about voice and visibility:
Lining up strategic events and partnerships
that move the ecosystem forward.

*Thank you to everyone who contributed
time and insight this month.*

01

Participation in the TBA Research and Financial Inclusion Conference 2026 and 30th Anniversary

The future of MSME financing took centre stage at the TBA Research and Financial Inclusion Conference 2026, held in Kizimkazi - Zanzibar under the theme "Transforming MSME Financing for Sustainable Development." Bringing together policy makers, regulators, financial institutions, fintechs, and researchers, the conference explored how innovation,

research, and policy can translate into more practical and sustainable financing solutions for MSMEs.

TAFINA contributed to the Experts Roundtable, bringing the fintech industry perspective to the conversation and highlighting the importance of responsible access to finance, innovation, and stronger collaboration in unlocking opportunities for MSMEs.

The engagement also formed part of TBA's 30th Anniversary celebrations, marking three decades of contribution to Tanzania's banking and financial sector

Keeping Fintechs Tax-Ready: Finance Act 2026 Webinar

As Tanzania's tax landscape continues to evolve, TAFINA hosted an interactive webinar on 9th September 2026 to help fintech businesses understand the implications of the Finance Act 2026.

Led by Francisca Assenga, Founder of Agile Tax Advisory, the session unpacked key changes affecting digital services and transactions, income and withholding tax, VAT, record-keeping, and reporting requirements.

The practical discussion equipped members with insights to navigate the new tax environment and strengthen compliance readiness. As an added benefit, three TAFINA members will receive complimentary one-on-one tax consultations from the speaker, providing tailored guidance on their compliance and tax-readiness needs.

the TBA Research and Financial
Inclusion 2026 and 30th Anniversary

TAFINA joined Innovation Week Tanzania 2026 for the session "BUILT HERE: From Experimentation to Scale, Tanzania's Fintech Journey, 2020 - 2026," held on 25th September 2026 at JNICC.

The session brought together leaders from across the fintech ecosystem to reflect on the sector's growth, its journey from experimentation to scale, and the opportunities shaping its next chapter

TAFINA Vice Chairperson Reuben Mwatosya joined other TAFINA members as panellists, sharing industry perspectives on innovation, financial inclusion, and the growth of Tanzania's digital economy. The conversation highlighted the progress of the local fintech ecosystem and the continued importance of collaboration in shaping its future.

Congratulating Members

Member success is ecosystem success. We are delighted to celebrate our members on these important achievements and commend their commitment to empowering businesses through innovative financial solutions. We wish them continued growth.

04

Celebrating Creditinfo Tanzania's Contribution to Digital Trust

We extend our congratulations to Creditinfo Tanzania, a valued TAFINA member, on the launch of its new Identity & Fraud Prevention Standard on 3rd September 2026.

The initiative strengthens trust, security, and identity verification within Tanzania's financial ecosystem, supporting efforts to address fraud and safeguard digital transactions.

The launch marks an important contribution towards building a more secure digital financial environment, while strengthening confidence in the adoption of innovative financial services. TAFINA is proud to be part of the launch and celebrate its members' continued contributions to the growth and resilience of Tanzania's fintech ecosystem.

05

Celebrating MUDA Tech's Innovation in Digital Trading

We extend our congratulations to MUD Tech, a valued TAFINA member on the launch of its MUDA OTC Platform on 10th September 2026 at Capital Place, Dar es Salaam.

The platform introduces new opportunities for fintechs and businesses to leverage AI agents through WhatsApp to expand market reach, increase transaction flows, and strengthen digital trading operations.

The launch highlights MUDA Tech's contribution to advancing technology-driven solutions in Tanzania's digital economy and the growing role of AI in transforming financial and trading services.
